Dr. Hamadoun Toure,
Secy. Gen. ITU

Dr. Toure : *"It is also a great pleasure to see so many delegates here in the audience today; Indeed, I believe that this is the first time that National Telecom Awards have been organized on such a grand scale in any Country in the world. I am delighted to be a part of the 2013 and 2012 National Telecom Awards, which I am sure, will have a long-lasting impact on ICT development and international telecom policies, both here in India and around the world"*
